Dear Seasonal Slipholders;

It's the beginning of June already and hopefully warmer temperatures will be on their way long before the first day of summer. It is so nice to have the docks full of activity and to see all of your smiling faces!

Harbor View Marina's Welcome to Summer BBQ will be held June 20th. The entertainment will be provided by Tim Krause and will be set up on the pool deck. Harbor View's own Mike Ezdebski, D03, will be roasting a fabulous pig and dinner will be served at 5:00 p.m. at the picnic shelter, (BYOB). You may want to bring your own lawn chairs as the picnic tables fill up quickly. The picnic is for seasonal slipholders and their children. Guests are welcome for an \$8.00 per person charge and must be reserved and paid with the response card along with your own reservation. The RSVP card is due on or before June 15th and can be faxed (231-843-0312), emailed (kate@harborviewmarina.com) or personally delivered or mailed to the office.

Boat Rinsing - We purchased two low pressure power washers to spray off boats. The dockhands will be spraying boats every Thursday and Friday. If you would rather not have your boat rinsed please let us know ASAP. Randy has demonstrated how to power wash and instructed the dockhands not spray canvas or wood. They will spray decks and swim platforms only. If for some reason you cannot wash/detail your boat this summer please call the office and a dockhand is available for this service.

Parking - Each slipholder is entitled to one parking sticker (mailed in April letter). If you need an extra pass, please stop by the office for a yellow temporary permit. Only one vehicle per slip is permitted in Harbor View's parking lot at a time. We will be monitoring the property to ensure your privacy.

Reminders- As we kick off another great season, please remember the spa is for slipholders, family and guests ages 8 and older. Also, for your safety, please use only plastic containers in pool/spa area. Curtis, our HVM custodian, will be monitoring the marina and pool/spa on weekends. The pool hours will be the same as gas dock hours. However, the spa will remain open and he will lock up at the end of his shift. Please feel free to ask questions or voice concerns to Curtis, he is here for your safety and well being.

Be sure to check out the Ship's Store! HVM Burgees are in! The store will be open daily from 10 am to 4 pm. Any subsequent correspondences from HV to seasonal slipholders will be placed in your mailbox in the Ship's Store. Please check your mailbox daily.

Thank you for your patronage and we look forward to another great season!
